May 22 - 28, 2022

IT'S BEGINNING!

Today Susan begins the “Circles on a Mission” Bike Ride, the week-long 300-mile ride to raise funds for United Methodist Women’s mission projects (see reverse side for a list of projects we support). Please keep Susan and those riding with her in your daily prayers.

On Wednesday at 5:00 p.m. there will be a bike ride for our children and youth starting from the Wesley Campus. Following the ride there will be a hot dog supper. So bring a lawn chair, & Come join the fun!
