

Circles on a Mission!

May 22 - 28, 2022

IT'S FINISHED!

Our 2022 “Circles on a Mission” Bike Ride has been **COMPLETED!**

Susan Hill has finished the 300-mile ride which is an important fund raiser for UMW. Now is time to show our support by considering a donation to the projects of the United Methodist Women. Make all checks out to FUMC - DeRidder. In the memo line, please put “Circles on a Mission.” Donations can be placed in the offering plate, dropped off at the office, mailed to P.O. Box 965, or given online. Thank you for your continued support to UMW Mission projects.
