Pastor's Ponderings!

I want to say a personal thank you to all of you for the way y'all have blessed me over the last couple of months. At a time when your pastor was feeling very weary from such a hectic time over the last two and a half years, you were so tremendously supportive of me taking time off to go on a Spiritual Retreat and to refill my cup. The Upper Room, along with the sponsoring conference (this time in Virginia), puts on an amazing, worshipful, fun, informative, learning, growing, relaxing retreat. I highly recommend their Five-Day Academy to everyone. It is for clergy and laity. This is my second time to participate in this retreat and it is a gift. Thank you for being so encouraging about me taking this time and to unplug from the world.

Thank you also to Erin and all of the people who helped plan, organized and came to my birthday party! What a way to celebrate turning 60!!! I was so surprised! The time was filled with so much laughter, love and smiles. Again, blessed beyond measure.

Finally, with my fall vacation to the Northeast, Canada and Nova Scotia to enjoy the fall leaves, y'all have repeatedly been so supportive about me taking time off to play and unplug from my work. No doubt there will be some amazing times that I will also spend in prayer (obviously I am writing this before I leave), and I will be in awe and wonder enjoying a part of the country I have never been to before.

Thank you for blessing me over and over again.

When I return, I will be so rested and ready to get back in ministry with you! And we will start that off on October 2nd with World Communion Sunday. A time we take to remember that millions of Christians and people searching for their faith are joining us to feast at our Lord's Table. That Jesus truly came to save the whole world! How awe inspiring is that?! And then we will be off and running with our fall Bible Study, Music Ministries, children, and youth activities, and more. Read the newsletter and begin learning about Trunk or Treat. All Saints celebration will be the first Sunday in November, then Thanksgiving and, of course, Advent and Christmas will be on the heels of all of it.

Come, let us worship our Lord and give him all the glory for our many blessings!

*Love, prayers and peace,
Laraine*

Charge Conference Sunday, October 23rd

FUMC will be having their Annual Charge Conference with the District Superintendent on Sunday, October 23rd at 3 pm at FUMC, Lake Charles. This meeting will be with other churches in our area and last approximately one hour in length of time. The following lay persons from our church are needed to attend: the Pastor, Lay Leader, Council Chair, Trustees Chair, SPRC Chair, Finance Chair, and Lay Delegate to Annual Conference. If you are going please call the office to let us know. If you would like to ride together, please call the church office and let her know you would like to go together. It would be a fun time to go on the van or bus together. This is a very important meeting that we need to attend. Others are welcome to attend also.

MINISTRIES

It's Fall Y'All and we are getting ready for our annual Trunk or Treat event. In an effort to give children in our community the opportunity to have a safe environment to collect candy, we will host our event to coincide with the City of Deridder's door to door trick or treat schedule. **Trunk or Treat will be held on Monday, October 31st from 6:00-7:30pm.** We can host up to 14 trunks at the FUMC parking lot and 12 trunks at the Wesley Education Center (WEC). Trunk set up will begin at 5:30 since both the MCLC and WEC have parents picking up until that time. If you will not be able to set up a trunk, candy or monetary donations will be greatly appreciated! You can bring them to the church office on weekdays or place them in the designated candy box in the Sanctuary Vestibule on Sunday. If you would like more information or would like to reserve a space, please call Cathy at (337) 396-9610. A reservation poster will also be available in the Fellowship Hall foyer as well.

The Louisiana United Methodist HAPPENING!
Can Christianity penetrate the reality of a teenager in today's world? Can youth still turn to Christ's love instead of the world of drugs, violence, and apathy? The HAPPENING Movement thinks so, and so do I. The Happening is a once in a lifetime experience. Its aim is to focus on the person and teachings of Jesus Christ. The Happening is not a retreat, it is 3 days of spiritual development. It proposes no new types of spirituality but provides a method for teens to develop their own spirituality and their own personal relationship with God. Which in turn, will show teens the value of attending and serving in the Church.

The Happening is staffed and hosted by teens for other teens in 9th - 12th grades at The Wesley Center in Woodworth. It will be held January 27th through 29th, 2023. The cost for the weekend is \$135, but only \$25 is needed to register and reserve a space. Registration deadline is January 1 st; however, space is limited so register early. For more information, contact me at (337) 396-9610 or cathy@fumcderidder.org. Financial assistance may be available. Cathy Scott, Child, Youth, and Family Ministries Coordinator

Methodist Children's Learning Center!

Our annual MCLC Grandparent's Day Celebration was a huge success this year! We had a total of 48 people attend the event. The children sang songs, introduced their teachers and classmates to family, and enjoyed lunch and special quality time with their grandparents. A huge thank you to Cathy Scott for sharing a week full of Vacation Bible School activities with the children. As you can see, many smiles were shared this month! We are looking forward to more Chapel time, making Halloween crafts, and trick-or-treating around the campus the month of October!

Best Wishes and Many Blessings,
Natalie Ruano, MCLC Director

If you were here....

If you were here, Felicity would have come home from college. You two would be walking to the pond at daybreak talking about her new Plant Science Class. You would bring me back a "Surprise Flower" which blooms overnight near your birthday each year. Analise, who is 11 now, would be baking you a cake hoping to place 70 candles on top. 9-year old Rowan would proudly present you with a new rod and reel. You and his dad would find a time to try it out today. Your girls would sit next to you, head on your shoulder, absorbing your loving presence while catching up on life. You would get calls from your twin brother and your sisters, or maybe a visit, singing Happy Birthday. I would watch it all with a smile and hide it in my heart.

If you were here, we would not yet know what a miracle a birthday can be. You were our gift. Love you and miss you. We'll see you again. Happy Birthday!

I wrote these words on your birthday, taking a respite from grief as I imagined you being here. I recalled the 38 other birthdays I spent with you in happy celebration.

All of us will experience grief during our lifetime. There is no cure for sadness in the loss of someone you love. But this wonderful promise is given to each of us. **John 16:22** (NIV): "So with you: Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy."

Love, Mary Allen

Children's Music

NOTES

Children's Choir is back in full swing. The children will be singing and ringing their bells on Sunday, October 16. Come join us on Wednesday evenings from 4:45-5:15 in the choir room.

FUMC - DeRidder Music Ministry Notes

On September 25th, you heard our vocal quartet sing a song, *David's Lamentation*, composed by the first native born composer of the United States. As promised last month, I want tell you a bit about this composer. William Billings was born in poverty in Boston, Massachusetts in 1747. He was only educated up to the age of 14 due to the death of his father. He took up the trade of the tanner to make a living, but also showed interest in musical matters. Although taking some rudimentary musical instruction from a choir member at New South Church in Boston, Billings primarily taught himself. He wasn't influenced by any of the European composers composing at this time, and his compositions are considered pure American music. With harmonies characteristic of Renaissance music, Billings's choral works were very popular during his lifetime, however he made little money from their composition. American copyright laws at the time were practically non-existent. Billings was blind in one eye, walked with a limp because one leg was shorter than the other, and he had a withered arm. Despite these disabilities, he was teaching the art of choral singing by the age of 22 and continued to compose, and teach in singing schools up until his death in 1800.

WE LOVE YOU, MISS PAT!

Cathy,
We thank you so very much for making it possible for Mason and Emilie Nothnagel to go to camp. They enjoyed the blessing more than I can explain with pen and paper. I will be providing pizza for the children on Wednesday, September 7th - always call if you need me to help. Love & God Bless. Pat Limmer

LOVE OFFERING for SHIPPING
("...go and make disciples of all nations...")
OCTOBER

Our Christmas shoeboxes are organized and ready to be packed this month, then shipped in mid-November. We will probably exceed our goal of 80 boxes, thanks to our congregation's generous donations of items. In spite of inflation, the shipping cost is still \$10 per box, which also includes Biblical discipleship literature for the next generation of Christian disciples. Any collected offerings that exceed shipping costs will be used as "seed" funds to purchase available items in bulk next year. Thank you again for your generous support in spreading the gospel of Christ worldwide.
