

Dulac Mission Trip 2023

Miss Wilhelmina Hooper and school children of Dulac Indian Mission

You are invited!! The Missions Team is recruiting volunteers to go on a mission trip to the Dulac Community Center. The Dulac Community Center is one of the places the United Women of Faith and the Missions Team support. This trip is our way of helping with recovery efforts from Hurricane Ida. We will be putting together bunk beds, taking care of some plumbing, working in the thrift shop, and visiting shut-ins among other things. Last year some of us had the privilege to visit Dulac. We were able to clean up and help with some repairs. There was also some wonderful christian fellowship, meeting new friends and hearing their stories. The fishing & shrimping community was a beautiful backdrop for sharing God's love. What skills are needed? A smile factor of 9.9, an ability to follow directions, a willingness to share your thoughts & ideas, and to experience the joy. The dates are Thursday, April 20th through Saturday, April 22, 2023. We will use church vehicles and private vehicles as needed. Most tools and supplies will be provided, however, any contributions will be accepted. Everyone is invited. Ask your neighbor, your sister-in-law, your co-workers, and all of your best friends. Once you register, we will give you a list of what to pack, along with other important information. For additional questions or concerns, please contact Rev. Laraine, Susan Hill, or Laura Schultz.

*Dulac Trip 2022:
The VFW in DeRidder, La.
donated this flag to replace
the one that Hurricane Ida
took in August 2021. It was
impressive to see the many
new flags flying in this
coastal community.*
